Infuser Water Bottles

ST PETERSBURG/TAMPA, FL • WWW.HEALTHFULHYDRATION.COM • (417)-425-3148 • HEALTHFULHYDRATION@GMAIL.COM

Our goal is simple- to get more people, drinking more water, in a healthy and innovative way. Nowadays, hydration education is growing and everyone is recognizing the benefits of water and trying to include more water in their lives. So why aren't they? Because water is tasteless, bland, and boring. No Longer. Healthful Hydration is starting the health trend of everyday, on-the-go infuser water bottles. Adding organic vitamins and minerals, that your body can utilize naturally through your infusions, will help keep your body properly hydrated and more functional than water alone - not to mention add some much needed flavor! Healthful Hydration Infusers are a quality, low-cost high-margin addition to your product line marketed to health conscious consumers and everyday water drinkers!
